

HID® OCR316-E

OCR and MSR

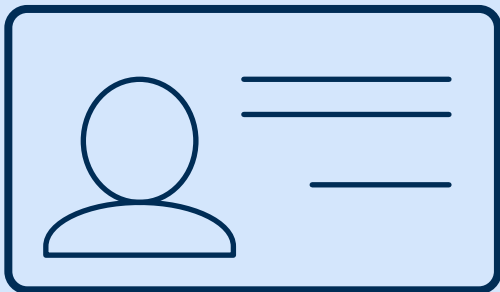

Swipe Reader

Small Footprint. Big Performance.

Efficiently and accurately, OCR316-E reads MRZ code line and magnetic stripe data from:

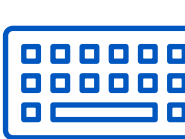

- Machine-readable passports (MRP)
- Machine-readable visas (MRV)
- US and International residence permits
- National ID cards
- Driving licenses
- Frequent traveller cards
- Employee ID cards
- Loyalty cards

-  **Accurate and Fast**
-  **Bidirectional Operation**
-  **Space Saving Design**
-  **Simple Installation**

Flexibility to Suit Any Application

OCR316-E can operate free-standing or be easily attached to:

-  Monitors
-  Tablets
-  Keyboards
-  Ultra-mobile PCs
